ADDITIONAL COMMENTS/REMARKS This will be a new high school with construction scheduled to be completed August 2007. 30% of the Freshman class of 250 have expressed an interest in the JROTC program. We have 2 Navy units and feel that an Air Force unit would add another element. Ninth grade students will be housed at Chaparral Middle School for 2005-2006 school year with construction of new school scheduled to be completed August 2006.
