Subject: AFT Local 4212 Appointment to the Local Labor Board

Superintendent Haugen,

This notice is to inform you that labor has filled the open labor position on the Gadsden Local Labor Board with Mr. Santiago Juarez.

In addition, labor is hereby requesting the local labor board convene as soon as possible to ratify and adopt labor's rules as were previously presented to the local labor board. As Ms. Christman was duly elected as the Chairwoman of the local labor board, labor believes it is within Ms. Christman's purview to construct the agenda for the next local labor board meeting.

Who is Management's appointment to the local labor board?

Thank you.
Andy Lotrich
