

# PSFA PreK-12 Design Professional Fee Schedule, ver. 2.0

The PSFA Fee Schedule is a guideline for percentage fee for Basic Services, n.i.c. reimbursables, based upon an estimated Maximum Allowable Construction Cost (MAACC) n.i.c. NM GRT. Project fees may be apportioned from several types. Types not listed may be based on similarities to types listed. Negotiation of fee based on prior District experience is appropriate. Fees for projects under \$100K and over \$10M may be extrapolated.

### Specialized Project

Broadcast facility, concert hall, central data processing, new well, water/waste water treatment facility

### Above Average Projects
