Requested Projects:

Priority	NMCI Rank	Facility Name	Brief Project Description	City and street address or nearest cross-streets	Include on 09-10 Final Application
1	370809	Anthony ES	Our request is for the construction phase of the project to bring existing facility up to adequacy standards. The planning and design funds were received in the 2008-09 application process. Currently we are 80% complete with the utilization study, programming and schematic design phases and scheduled to be at 60% construction documents phase by June of 2009.	609 Church Street, Anthony, NM 88021	Yes
2	350708	Berino ES	Our request is for the construction phase of the project to bring existing facility up to adequacy standards. The planning and design funds were received in the 2007-08 application process. Currently we are 95% complete with the utilization study, programming and schematic design phases and scheduled to be at 60% construction documents phase by June of 2009.	Anthony, NM	Yes
3	200	Chaparral ES	The district is proposing to bring the existing Chaparral Elementary up to adequacy standards by demolishing World War II barracks, and by removing 5 portables. Also build a new Chaparral area elementary school to relieve 3 elementary schools (Chaparral, Desert Trail and Sunrise Elementary schools) due to over crowding conditions and non adequacy standards. These schools have 33 total classrooms in portables and 17 classrooms in barracks.	Chaparral, NM, 88021	Yes
