Re: 2011/2012 New Bus Purchases/Rental Fees

CStuart

Enclosed please find documents relating to the new bus that was approved for replacement and purchase for the 2011/2012 school year. We were approved to purchase 4 buses to replace the 2000 model year buses. Due to our consolidation of routes and the "staggering" of elementary school times we only replaced the 1 special lift bus. Antonio Ortiz, PED was notified of our purchase of the 1 bus rather than the 4 buses which were approved for replacement. I have enclosed a copy of the email to Mr. Ortiz relating to this notification.

The following documents enclosed are for the new special lift bus now in service:

1. Completed SDE Bus Replacement Form
2. Copy of Certificate of Vehicle Registration

I have also enclosed a copy of the SDE Rental Fee Schedule for 2012 model buses along with a breakdown of calculations for the additional rental fees for this current school year. Our calculation for rental fees for this new bus is \$20,810.00 for 5 years.

Please do not hesitate to contact me should you have any questions or need further information in order to complete the Transportation BAR.
