

Title I, Part A
2011-12 Equipment over \$5,000

Number	Equipment Items	Function	Object	Quantity	Per Item Price	Total
1	Brake Lathe Kit	1000	57331	1	9,000	9,000

Justification:

The item is needed by Chaparral High School's automotive class as the students learn how to install brakes. This will be part of the instructional sequence in the instructional pathway. The program does not meet requirements for Carl Perkins funding at this time and operational funds are not available. Chaparral High School is a Title I schoolwide project.
