The allocations for post-secondary institutions were based on the proportion of students at your institution who received Pell Grants and BIA Assistance compared to the total number of these students in the state. The amount allocated to public school districts or consortia is based on the federal formula provided in the Perkins Act.

Each application was reviewed against the Basic Grant Evaluation Rubric. I am pleased to announce that your institution substantially met the revision requirements. I thank you for working with the staff of the College and Career Readiness Bureau (CCR) to achieve a funded application.

Please submit a BAR through OBMS for this amount using fund code 24174 (Secondary Institutions) or 24177 (Postsecondary Institutions) and revenue object code 44500. Please adhere to the following timelines required for obligation, liquidation and RfR submission:

- **June 30, 2012 – Funds must be fully encumbered/obligated**
- **July 06, 2012 – Last date to submit RfR for FY2011-2012 expenditures**

It is the hope of this Bureau that each of you will be successful in your endeavors and that the students of New Mexico - as a direct result of your work - will experience the integration of rigorous and challenging academic and career-technical instruction. It is my firm conviction that this type of instructional integration can positively impact the learning experiences of New Mexico's students as they prepare for their next-steps to either continue their formal education or enter the workforce.
