Rosa,

I will call Erica and have Marcia call her to. Here is the notation I included in OBMS to provide her guidance – I wonder if she saw it?

Disapproved Reason: \$219 currently sits in OBMS budget 24182. Approving this BAR in the amount of \$8,882 would create a situation where the district's budget authority exceeds the award amount. Please reduce the \$8,882 by \$219 and re-submit for \$8,663.00.

Eric

Mr. Spencer,

We need your assistance. Earlier this week you did give approval for BAR 0092 Fund 24182. We think it was correct, can you please let us know how we need to correct it. Eric Villarreal may have left you a voice message with a better explanation.

Thank you,
