Acuna, Johnny      The installation date for the HVAC Project at Desert Trail Elementary has been set for Wednesday, December 19th starting at 7:30 am. Need Johnny Acuna to unlock the portables that morning as well as show us where the electrical shut-offs are for the portables. NergyMaster will then call about an hour before finishing so all the portables and electrical boxes secured.

Please call or email if you have any questions and thanks in advance for everyone's cooperation!

Castillo, Carlos		Please eliminate the switch that turns off the power to all the outlets (plugs) in room 107 on the west wall. Teacher wants the outlets to have power but to keep someone from turning off the switch which currently controls the power to the outlets. For more information or details call Ralph Gallegos 575-882-6921 or visit with Randy Rapanut. Thanks
