Background and Summary:

The monies are needed to add from one function to another to cover anticipated expenses for the Spring semester as well as to cover negative amounts within the Title III budget. We anticipate several of our schools will be recognized at NM State Legislature on State Bilingual Day due to their performance on the Federally mandated Annual Measurable Achievement Objectives (AMAOs). There are 3 which include 1) % of students making progress in English; 2) % of students becoming proficient in English; 3) ELL performance on the NMSBA. We have no money in this line item to fund Principals' attendance at this recognition.
