Background and Summary:

Decrease to Fund 31900 Ed Technology Equip Act Fund for the actual June 30, 2012 cash balance. \$275,773 is reflected as a decrease to adjust the budget to the actual cash available at June 30, 2012. The actual cash balance was less than the projected cash balance that was used to prepare the 2012-13 Budget submitted to NM PED in May 2012. Decrease was anticipated when the budget allocations were prepared at the beginning of the current fiscal year and does not impact the current budget plan for the Ed Tech Fund.

Recommendation:
