The planning amount is determined by allocating 90% of your approved HSTW grant application request for support at **Chaparral High School**.

When College and Career Readiness (CCR) receives its final Carl D. Perkins allocation from the United States Department of Education, a final award letter will be sent to your institution so that you may make appropriate budget adjustments to align what you have in Operating Business Management System (OBMS) with your final award. The CCR does not anticipate receiving its final allocation until October of 2013.

Your FY13-14 HSTW application for this award has met substantial approval. I am grateful that your work with staff at the College and Career Readiness Bureau has achieved a funded application.

Should you have any questions about this planning award, please feel free to contact CCR at (505) 827-1800, for staff assistance.

Best regards,

Hipolito "Paul" Aguilar
