Background and Summary:

Policy JJIB, Interscholastic Sports, is being amended to conform to Senate Bill 137, passed in the 2016 legislative session, which increased the time that a student athlete is to be prohibited from practice, because of a concussion, from one week to 240 hours from the hour of the injury. Policy KF requires persons using school property for nonscholastic youth activities to follow the brain injury protocols, and Exhibit KF-EC is a new Nonscholastic Sport Users Certification form that must be completed as a condition of permitting nonscholastic youth athletic activities to take place on school district property.
