

## Fund 24103 Title I Part A Carryover Increase

The state Director of Migrant, fund 24103, advised the Directors of Federal Programs there is to be a Carryover Allocation for those districts with Migrant Programs. The Gadsden ISD uses the migrant funding to provide services and support to migrant students and their families. The aim of the services and support is to:

- Stipends for after school tutoring for Priority of Service Migrant students in reading and math.
- Instructional supplies that may be needed by after-school tutors.
- Stipends for student/family mentor services designed to help students and families bridge the gap that may exist between the home and school.
- School supplies and uniforms for migrant students.
- Field trips for students.
- Professional development for staff members who serve migrant families to bring providers to a deeper understanding of the migrant culture and any barriers that may prevent student success in school
