

REGULATION**REGULATION****STUDENT SAFETY****(Limitations on Restraint and Seclusion)**

If a restraint or seclusion technique is used on a student:

- school employees shall maintain continuous visual observation and monitoring of the student while the restraint or seclusion technique is in use;
- the restraint or seclusion technique shall end when the student's behavior no longer presents an imminent danger of serious physical harm to the student or others;
- the restraint technique employed shall not impede the student's ability to breathe or speak; and
- the restraint technique shall not be out of proportion to the student's age or physical condition.
