#### Background and Summary:

Pursuant to NMAC 6.41.4.14B, the Request for Approval Form for using a sports utility vehicle (SUV) for to-and-from transportation must be submitted to the Public Education Department (PED) for approval prior to using an SUV to transport students on a to-and-from route. Along with this form, a map highlighting the location of the school and location of each student's residence is included. Transportation in a sports utility vehicle (SUV) to and from school for the students listed is required due to the centralization of the District's Deaf Education programs at Berino Elementary and Gadsden High School.
