Background and Summary:

The K-3 Plus program provides funding for additional educational time for students in kindergarten through third grade with at least 25 instructional days, beginning up to two months earlier than the regular school year. Since the program covers two budget years, this Budget Adjustment Request is for the ratification of the Kinder-3 Plus Application (Fund 27166) to accommodate the PED's application due date of May 25, 2018. \$850,637.75 has been awarded to Gadsden ISD for the June 2018 program. In addition, Gadsden ISD applied for the K-3+ 4 & 5 PILOT extended school year program as well and was granted \$181,908.15 for the June implementation.
