Re: 2019/2020 New Bus Replacements

Enclosed please find documents relating to the new buses that were approved for replacement and purchase for the 2019/2020 school year. We were approved to replace the 2008 Model Year buses. **At this time we have received and placed into service all 9 buses approved.**

Enclosed are the documents for the 9 buses in order for the BAR to be processed and approved for rental fee reimbursement.

Enclosed please find:

1. Copy of Title/Registration for each new bus
2. Approval Letter from PED for each new bus
3. Database Update Form for each new bus
4. Retired Bus Vehicle Information

I have also enclosed a copy of the PED Rental Fee Schedule; a breakdown of calculations for the additional rental fees for this current school year; and an amended Appendix A & B to the Fleet Contract. Our calculation **for rental fees for the 9 new buses is \$191,943.00 for the next 5 years.**

Please do not hesitate to contact me should you have any questions or need further information in order to complete the Transportation BAR.
