RE: K-5 Plus Transportation Allocations

The Public Education Department (PED) is currently allocating funds for the transportation of students who participated in K-5 Plus Programs. The funding was made available through an appropriation contained in the Laws of 2019, Chapter 271, Section 4, Subsection K, Public School Support, Paragraph 2 (House Bill 2).

In order to budget the awarded funds, please submit a budget adjustment request for the amount listed on the attached spreadsheet utilizing Fund Code 27152 and include this letter as an attachment. Please note, all funds are solely for expenditures incurred for transporting students to K-5 Plus programs during the summer of 2019. All excess funds shall be reverted back to PED if the total amount allocated exceeds the total amount of expenditures incurred specifically for this program.

Congratulations and best wishes as you continue your work to provide the best possible education to the children of New Mexico. If you need additional information regarding the use of these funds, please contact Consuelo Barraza at (505) 827-6644 or Consuelo.barraza@state.nm.us.
