Approved By: President Viramontes Date – 4/6/2020

Background and Summary:

Due to the decision to dismiss classes for the remainder of the 2019-20 school year, we want to ensure students are not caught at a disadvantage due to the state-wide emergency response to the COVID-19 virus. By temporarily relaxing the graduation requirements we are allowing additional options for students in the graduating Class of 2020 and possibly the Class of 2021. In addition, based on our Continuous Learning Plan we want to provide an opportunity for high school students to improve their grades and earn credit, however I don't believe we can expect teachers to input 2 grades per week.
